Speaker: Jane Lelean

Jane is a globally recognised dental business coach, trainer, and communication expert. With a background as a practising dentist and over 34 years of experience owning and managing a successful mixed dental practice, Jane understands first-hand the challenges of patient communication, treatment acceptance, and managing a busy practice.

Learning objectives

- Recognise and manage their own stress and anxiety in clinical settings
- Develop resilience strategies to maintain confidence and composure in practice
- Feel more confident
- Apply effective communication techniques to build stronger relationships.
