

## General Anaesthesia Study Days

**General anaesthesia for adult special care dental patients and paediatric dental patients**

5 hrs CPD per day

**Monday 7 and Tuesday 8 April 2025 | Birmingham**

Development outcome **(A)(B)(C)(D)**

**Join the BDA CDS Group for a two-day event full of informative lectures delivered by outstanding speakers.**

**This is an excellent opportunity to network with your peers.**

### Learning objectives

- Describe the requirements, considerations and improvements for delivering a high-quality SCD GA service
- Understand legal implications of working with the Court of Protection, address challenges in treating patients under GA and coordinate multi-professional care for patients with severe learning disabilities and autism
- Understand the importance of sleep, the causes and effects of sleep apnoea, how to identify at-risk patients, and methods for diagnosis and treatment
- Understand adverse childhood experiences, learn to recognise common trauma responses in children and develop skills to provide trauma-informed care
- Assess and prepare at-risk patients, including those needing pre-medication or shared airway management, to minimize anaesthetic complications.

### Cost

#### Attending one-day only

BDA member - £140

Non-member dentist - £170

DCP, FD/VDP, StR, Student, Senior mem - £99

#### Special two-day rate

BDA member - £240
