

The British Dental Guild reimburses loss of earnings of members of GDPC who represent ALL dentists.

Currently this costs **£200,000** per year

We do this from DONATIONS from LDC's

Currently only half of LDCs contribute to The Guild.

Does your LDC contribute?
If not, do you think this is fair?
You should donate £25 to £30 per LDC member

**Bank Account British Dental Guild
(please identify your LDC)**

It would appear that the following LDC's have **NOT** made a donation to The British Dental Guild (BDG) in the last **TWO** years.

The BDG is aware that there have been changes to both boundaries and LDC names and there may be some LDC's on this list who have donated.

Our apologies if your LDC appears on this list and a donation has been made. Please contact the Treasurer on DentalGuild@aol.com
