

Study Day - The Future of Paediatric Dentistry within the CDS

Friday 24 April 2026 | Birmingham

This inaugural joint study day, hosted by the BDA CDS Group and BSPD, aims to explore key challenges and innovations, with a focus on practitioners working with paediatric patients within Community Dental Services

Sessions include

- **Connecting with Autistic young people** – Sarah-Jane Snape
- **Play specialists and their importance** – Lisa Morgan
- **Clinical standards for CYP in residential special school** – Joanne Purvis
- **Immediate trauma management** – Sanjeev Sood
- **Paediatric/Oral Medicine interface** – Adele Johnson
- **Paediatric Dentistry Advice Clinic (PDAC) and OPAG** – Lexy Lyne
- **CDS GIRFT** - Liz Jones
- **Entrustable Professional Activities** – Thomas O'Connor

Full programme available on the website

Prices
