Learning objectives

- Describe treatments for paediatric patients that can successfully utilised within general dental practice
- Discuss when children should be referred for specialist opinions and treatment.

Speaker

Kathryn Jorgenson

Clinical Lead, Northumbria Community Dental Service

Kathryn qualified in 2007 from Newcastle University. Following foundation training, she worked at Newcastle Dental Hospital's Child Dental Health Department from 2009 to 2021 where she completed both pre and post CCST in Paediatric Dentistry and worked as a locum consultant in Paediatric Dentistry. Kathryn is now the Clinical Lead for Northumbria Community Dental Service.
