

Problem solving in endodontics - Tips and tricks for the busy GDP

1 hour 30 mins CPD

Wednesday 4 December 2024 | Reading

Development
outcome

What to expect

This event will ensure that practitioners feel confident in attempting endodontic procedures in practice.

Learning objectives

By the end of this event, delegates will gain practical and problem solving solutions in endodontics including:

- Diagnosing cracks
- Locating canals
- Correct use of apex locators.
