**Want to stay at the forefront of  
orthodontic advancements?**

**Join us for an insightful update on  
orthodontics, exploring current  
trends and future directions.**

## Aim

To provide an update on orthodontics  
and a look at current thinking and  
future trends.

## Learning objectives

- Be more aware of current thinking  
and the future direction for  
orthodontics
- Know how to work with the  
orthodontist to ensure a good  
outcome for patients, from initial  
referral through to retention.
