

West Lancashire, West Cheshire and North Wales Branch

Oral surgery and Branch AGM

1 hour CPD

Monday 29 April 2024

Development outcome **A** **B** **C** **D**

An update on oral surgery in our region - Service provision, referrals, case assessment and training

Aim

Discuss the current situation of surgery provision in the region and will consider what is appropriate to refer to oral surgery/OMFS.

Learning objectives

- Provide an overview of complex medical histories that may impact referrals
- Discuss radiographs with tips on assessing complexity of tooth extraction
- Discuss extractions relating to implant referrals
- Reflect upon oral surgery experience of early career dentists and opportunities for future training.
