(Monday to Thursday 09:00-17:00)

Speakers

Ceri Owen-Roberts

Jonny Lynd

Aim:

The aim of the lecture is to increase awareness of the importance of dental implant knowledge within modern general practice.

Learning objectives:

- Understand how dental implants are relevant to all general dentistry
- Appreciate the benefits of integrating implant restoration into daily practice
- Be aware of the principles of implant maintenance
- Know when to refer an implant.
