

Southern Counties Branch

Clinical study day and networking drinks

Friday 4 April 2025

BDA
British Dental Association

6 HOURS CPD

'Smile transformations - Causes, complexities and contemporary treatments' offers an excellent opportunity for dentists and their teams to connect and exchange insights. Followed by networking drinks, creating a relaxed environment to build professional relationships.

Topics

- Aesthetic management of tooth wear 'from composite to overdenture solutions'
- Integrating masseter Botox into our dental consultations
- Managing dental trauma cases in practice
- Non-surgical aesthetic treatments for functional dental issues
- Optimising pink aesthetics
- Treatment planning ABC cases with functional and aesthetic considerations.

Speakers

Elisa Agudo, Registered Specialist in Periodontics

Hemani Gill, Principal Dentist

Dominic Hassall, Registered Specialist in Restorative, Prosthodontic, Periodontal and Endodontic Dentistry

Dipti Mehta, Specialist and Consultant in Endodontics
